

Community Navigation Network

Neighbourhood-based support in City & Hackney

Want to connect with people, places or activities in your Neighbourhood?

Are practical, day-to-day challenges getting in the way?

The **Community Navigation Network** are a group of voluntary organisations who work together to help people find the best way forward for their wellbeing including individual, family support and advice, even during lockdown.

Ring for a brief chat to point you in the right direction, or take some quality time to talk through your needs and interests, with help to get connected.
