

Community Champion Volunteers

Change lives in Hackney (including yours!)

Community Champions are volunteers who help to change our community and change the world. Just an hour or two a week can have an amazing impact. As a volunteer you could be:

- Helping to run cooking classes for families
- Reassuring a pregnant woman who is nervous about becoming a mum
- Sharing your skills to help people improve their life
- Leading community walks
- Supporting groups for survivors of stroke
- Running your own project that deals with problems you see in our community.

Why volunteer?

Shoreditch Trust runs Community Champion and Active Citizens training in partnership with the British Council. Active Citizens connects thousands of like-minded people around the world who want to make a fairer and more inclusive society.

It is a global programme that has been delivered in 75 countries worldwide. The course will give you the skills to make a change in our area and potentially affect change on a global scale.
